## V. Election matters

Election matter 1 (Proposed by the Board of Directors)

Subject: By-election of the 11<sup>th</sup> Director.

Description:

- 1. Due to the resignation of the 11<sup>th</sup> director, the Company intends to hold a by-election of one director at the shareholders' meeting in accordance with the Company's Articles of Incorporation.
- 2. The term of office of the director begins on May 27, 2022 and ends on May 27, 2023.
- 3. All nominated candidates had been reviewed and approved at the meeting of Board of Directors on March 31, 2022. The list of candidates for the director is hereto attached as Attachment L.
- 4. Please Vote.

## Election Result:

## The List of boards of directors:

Stock No.	Candidate Name	Current Shares	Note
26685	Wanshida Construction Co., Ltd.	62,602,553	Director
	Representative: Li, Bo-Yi		

## **VI. Other Matters**

Other matter 1 (Proposed by the Board of Directors)

Subject: To approve the lifting of non-competition restrictions on new director.

Description:

- 1. According to Article 209 of Company Act, a director who does anything for himself or on behalf of another person that is within the scope of the Company's business, shall explain to the meeting of shareholders the essential contents of such an act and secure its approval.
- 2. Before giving a notice convening a shareholders' meeting on April 26, 2022, none of the candidates nominated for the Board of Directors had held part-time positions in other companies with the same or similar business as the Company. Therefore, it will not be discussed at the shareholders' meeting since Article 209 of the Company Act does not apply.

VII. Motions: None.

VIII.Adjournment ( at 9:30 a.m., May 27, 2022)

## Dyaco International Inc. 2021 Business Report

Dear shareholders:

First of all, thank you for your long-term support and love for Dyaco International Inc.

The rapid spread of the COVID-19 pandemic in the world from 2020 onwards has caused an unprecedented impact on the global economy, breaking all social, political, economic and financial market forecasts, and the United States and European countries were hit harder than Asian countries.

Although the pandemic has impacted the fitness industry, it has also set off a new trend of home workout, and home fitness equipment is experiencing an unprecedented surge in demand in 2020.

However, in 2021 the global home fitness equipment market shrank due to factors such as increasing freight rates, shipping delays, and inflation, which led to consumption slowdown.

The Dyaco Group needs to increase our competitiveness and sets goals including accelerating product development, responding to market and user needs more quickly, and improving employee innovation and operational efficiency.

The following presents the Company's 2021 results of operations, 2022 business plan and future development strategy.

#### 1.1 The business of 2021

## (1) Results of business plan implementation

The global home fitness equipment market shrank due to factors such as increasing freight rates, shipping delays, and inflation, resulting a 11% decrease in 2021 overall operating revenue compared to the same period last year. At the same time, due to global raw materials and exchange rate impacts, the gross margin declined, and foreign exchange losses persisted. Thus, the 2021 profit was not as impressive as the previous year, with net operating profit after tax of NT\$440 million and earnings per share of NT\$3.48.

#### (2) Budget execution

The Company did not disclose its financial projections for 2021, however, the overall operating conditions were affected by the economic environment and market competition and did not perform as well as the Company's internally developed business plan.

## (3) Financial and profitability analysis

## (4) Research and development status

The Company's technology sources are based on the integrated

development of its R&D team and domestic upstream manufacturers, market demand and research institutions. Through marketing personnel to get close to the market and customers, we can further understand the development trend of products and the application of new technologies and develop products and technologies. Where necessary, it hires relevant consultants for advice, and cooperates with universities and research institutions in technology development, so that the overall product development efficiency and effectiveness are faster and more effective than those of our competitors. The R&D achievements for fiscal 2021 are listed below:

- A. TFT display modules
- B. Facial recognition system
- C. Bluetooth multimedia streaming
- D. Digital training tracking system APP
- E. Racing bike with adjustable watch stand
- F. Vertical climber
- G. Elliptical with multiple pedals
- H. Fitness equipment for seniors

## 1.2 Summary of the business plan 2022

## (1) Management policy

- A. Adhering to the core value of "brand, service and innovation," the Company develops products and creates value based on people's needs, is committed to providing consumers with simple, comfortable, and safe products, and continuously focuses on improving the quality of people's workouts and leisure life.
- B. What we provide to our customers is not only products, but also brand belief, product creativity and after-sales service experience, to build up our relationship with our partners. Based on this framework, we continue to expand the international market share of our self-owned brands SOLE, SPIRIT and XTERRA, as well as authorized brand UFC.
- C. Dyaco expands diversified products and brands, such as UFC Mixed Martial Arts brand for weight training, fighting and related workout, and Johnny G new flywheel for its physical therapy and elderly rehabilitation in the field of medical technology, and collaborates with STUDIO, a U.S. smart fitness content developer, to combine STUDIO's online fitness classes with Dyaco's fitness equipment.
- D. Do the right thing on key decisions instead of dwelling on past successes. Dyaco International Inc. will continue to be dedicated to R&D technology innovation and cooperate with the academic community in the field of medical rehabilitation equipment to extend the Company's R&D advantages. Thus, the Company's products can benefit not only the public, but also those with mobility difficulties or elders at home, and everyone can take pleasure in sports to take care of more people in need of help. After all, we need a healthy body to have a good quality of life.

## (2) Marketing policy

- A. Build e-commerce marketing tools to increase market share outside the physical channels.
- B. Enhance third-party sales platform materials and search engine resources to increase brand exposure in various countries.
- C. Continuously develop brand agents in various countries and establish brand communication platforms.
- D. Integrate the Company's official websites and fan pages to enhance the Company's image in Taiwan and increase the exposure of domestic

- products.
- E. Upgrade the functionality of the Company's websites and reinforce the impression with product press releases.
- F. Design global physical channel marketing materials in a consistent manner.

## (3) R&D policy

- A. Actively develop new models of SPIRIT and SOLE series to increase consumer choice.
- B. Provide consumers with practical and aesthetically pleasing products at a high price-performance ratio with a certain quality, and further introduce a smart cloud platform.
- C. Break into the field of medical rehabilitation equipment by strengthening cooperation with academia and through cross-industry alliance and develop products for both the elderly and the mobility-impaired.
- D. Develop a new intelligence system for light commercial and commercial models
- E. Combine Internet of Things with wearable devices for the development of sports equipment control instruments with rich entertainment connectivity (APP software and 3C product connectivity control).

## (4) Production policy

- A. Appropriately expand production capacity and boost production efficiency to ensure on-time delivery, quality improvement and cost reduction.
- B. Integrate industry supply chain, improve management efficiency and quality reliability, set up information sharing mechanisms, respond quickly to end market demand, reduce inventory cost, and increase added value.

## 1.3 Future company development strategy

## (1) Continuous innovation of product technology

In addition to fitness equipment, Dyaco will continue to care for people, not only for the public's sports and leisure quality, but also for that of the elderly and people with limited mobility. Therefore, the Company will continue to strengthen cooperation with academia to develop fitness and rehabilitation equipment that meets the needs of all walks of life, and to enhance the interaction between exercisers and machines through

technological innovation, so that everyone is not forced to exercise, but enjoys it and can do it with ease, thus providing people with different feelings and definitions of exercise.

## (2) Development of health and rehabilitation products

Due to the rise of the fitness culture and the advent of an aging society, the health and care industry has stepped out of traditional service industry and is booming with more and more applications of Internet of Things (IoT) technology, artificial intelligence (AI) and sensing technology Dyaco has been developing safe rehabilitation equipment over a long period of time, combining R&D innovation, manufacturing technology and scale, and marketing channels to provide the world's best rehabilitation equipment, and creating new business opportunities in addition to traditional sports and fitness facilities. This year, the Company has officially launched a series of rehabilitation equipment products and has actively introduced its products into various markets to promote sales.

## (3) Brand development

We are sticking to the core values of "brand, service and innovation" to provide customers with not only products, but also brand belief, product innovation and after-sales service experience to enhance the relationship with our partners. We continue to cultivate brand agents in various countries while establishing brand communication platforms to expand the international market share of our self-owned brands SOLE, SPIRIT, XTERRA and authorized brand UFC.

## (4) Upholding principles and beliefs

- A. The requirements for product quality and the commitment to customers remain unchanged.
- B. Self-imposed expectation of excellence and innovation in R&D and design remains unchanged.
- C. The principle of integrating the supply chain for the mutual benefit of the customer and the supplier remains unchanged.
- D. The belief in promoting the brand and tapping into local channels to benefit more people remains unchanged.
- E. The principle of nurturing international talent and localizing the management team remains unchanged.

# 1.4 Affected by external competitive environment, regulatory environment, and overall business environment

Although COVID-19 vaccines may help to terminate the pandemic, the disease will continue to affect the development of the global economy due to the restrictions imposed by various countries and the concern of people about the infection. The government of every country in the world must continue to provide stimulus packages to ensure that the economy can return to the conditions before the pandemic, and it is unlikely that the people around the world will return to normal life immediately with the introduction of vaccines. Many governments are heavily indebted and unable to provide fiscal stimulus while the central banks in those countries have reached the limits of their easing monetary policies. There is no new product or innovative breakthrough to stimulate market demand. In the absence of growth momentum, the global economy can only maintain a slow recovery. There are still many risks and variables for the global economic performance in the future, and enterprises continue to face a challenging business environment which tests their response capability.

Although the global economy is affected by many uncertainties and the assessments of the economic performance in the markets around the world are still conservative, we continue to be optimistic about the Company's operations in the future. In particular, the sales explosion in this fiscal year not only helped to increase the brand's market share and awareness but enabled the Company to enhance its capabilities in the aspect of marketing, logistics, sales, and after-sales service, creating a stronger competitive edge. At the same time, the Company was able to leverage its resources and further increase its market share through the upstream and downstream integration.

Overall, with rapid market changes and rising production costs, enterprises are facing increasingly severe challenges in their operations. We believe that by adhering to the Company's core business philosophy of sustainable management and following the Company's path to steadily maneuver itself into position in the local market, we can establish corporate culture of innovation and growth, implement corporate social responsibility, take care of more people in need of help, and ultimately maintain the original competitive advantage and accumulate more strengths, so that shareholders, customers and employees can share fruitful business results.

Sincerely yours,

Chairman: Lin, Ing-Gin

General Manager: Chen, Ming-Nan

Chief Accountant Officer: Chiu, Yuan-Shen

## **Audit Committee's Review Report**

(This English version is only a translation of the Chinese version) The Board of Directors has prepared and submitted the 2021 consolidated financial statements (including standalone financial statements), business report, and earnings distribution proposal. Independent auditors Mr. Hsieh, Chien-Hsin and Ms. Chen, Chao-Mei of Deloitte & Touche Taiwan audited the consolidated financial statements (including standalone financial statements) and has issued an audit report. These have been reviewed and determined to be correct and accurate by the Audit Committee. In accordance with Article 14-4 of the Securities and Exchange Act and Article 219 of the Company Act, we hereby submit this report.

#### INDEPENDENT AUDITORS' REPORT

The Board of Directors and Shareholders Dyaco International Inc.

#### **Opinion**

We have audited the accompanying consolidated financial statements of Dyaco International Inc. (the "Corporation") and its subsidiaries (collectively referred to as the "Group"), which comprise the consolidated balance sheets as of December 31, 2021 and 2020, and the consolidated statements of comprehensive income, changes in equity and cash flows for the years then ended, and the notes to the consolidated financial statements, including a summary of significant accounting policies (collectively referred to as the "consolidated financial statements").

In our opinion, the accompanying consolidated financial statements present fairly, in all material respects, the consolidated financial position of the Group as of December 31, 2021 and 2020, and its consolidated financial performance and its consolidated cash flows for the years then ended in accordance with the Regulations Governing the Preparation of Financial Reports by Securities Issuers and International Financial Reporting Standards (IFRS), International Accounting Standards (IAS), IFRIC Interpretations (IFRIC), and SIC Interpretations (SIC) endorsed and issued into effect by the Financial Supervisory Commission of the Republic of China.

#### **Basis for Opinion**

We conducted our audits in accordance with the Regulations Governing Auditing and Attestation of Financial Statements by Certified Public Accountants and auditing standards generally accepted in the Republic of China. Our responsibilities under those standards are further described in the Auditors' Responsibilities for the Audit of the Financial Statements section of our report. We are independent of the Group in accordance with The Norm of Professional Ethics for Certified Public Accountant of the Republic of China, and we have fulfilled our other ethical responsibilities in accordance with these requirements. We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our opinion.

## **Key Audit Matters**

Key audit matters are those matters that, in our professional judgment, were of most significance in our audit of the consolidated financial statements for the year ended December 31, 2021. These matters were addressed in the context of our audit of the consolidated financial statements as a whole, and in forming our opinion thereon, and we do not provide a separate opinion on these matters.

The descriptions for the key audit matters of the consolidated financial statements are as follows:

#### Loss on Inventory Obsolescence

The carrying amount of inventories held by Group was \$3,531,206 thousand as of December 31, 2021, which represented 29% of the consolidated total assets. The amount of inventories is significant and the valuation of inventories involves significant accounting judgments and estimates made by management, especially when estimating losses from obsolete finished goods and merchandise. Therefore, the estimation of obsolescence loss from finished goods and merchandise was considered to be a key audit matter. For the accounting policies, significant accounting judgments and estimates related to inventory, refer to Notes 4-8 and 5-1.

We evaluated the appropriateness of method applied in the calculation of obsolescence loss for finished goods and merchandise at year end. Then, we verified the data used in assumptions against the relevant supporting documents and recalculated the loss provision to ensure its accuracy. In addition, we reviewed the aging report of finished goods and merchandise and compared the allocated historical obsolescence loss with actual disposal of finished goods and merchandise from previous years in order to evaluate the adequacy of inventory losses due to obsolescence.

### Impairment of Goodwill

According to IAS 36 "Impairment of Assets", goodwill arising from the acquisition of a business is subject to an annual impairment test by comparing its carrying amount (including attributable goodwill) with its recoverable amount. As of December 31, 2021, the carrying amount of goodwill held by the Group was \$528,950 thousand, which represented 4% of the total assets in the consolidated balance sheets. The impairment test of goodwill involves significant accounting judgments and estimates made by management, especially when estimating the future cash flows and discount rates used to calculate the present value of a cash-generating unit. Thus, the impairment test of goodwill was considered to be a key audit matter. For the accounting policies on impairment of goodwill and the related significant accounting judgments and estimates, refer to Notes 4-12 and 5-2. The cash-generating unit of goodwill from business combination and basic assumptions of estimated recoverable amount have been disclosed in Note 18, including the projected future cash flows and discount rates (weighted average cost of capital).

We assessed the professional skills, competencies, and objectivity of independent appraisers hired by management, and also verified the qualifications of appointed appraisers. In addition, we confirmed that nothing would affect the objectivity or restriction of job duties by discussing the job scope and reviewing conditions of appointment with management. We checked whether the method used by independent appraisers was in accordance with the International Accounting Standards (IAS).

We assessed management's judgments based on the opinion of our financial advisor, especially with regard to material assumptions (including the prediction of future cash flows and discount rates) used by management to confirm the appropriateness of management's judgments. Our primary audit procedures performed included the following:

- 1. We tested the data used to estimate recoverable amount of goodwill, such as historical operating revenue, revenue growth rate and gross margin for assessing the reasonableness of assumptions.
- 2. We compared the budgeted amounts with actual operating results of the Group in 2021 when considering the assessment of reliability prediction for 2022 and future years in order to assess the accuracy of management's historical predictions.
- 3. We checked if there were significant differences between the weighted average cost of capital calculated by using the same valuation method and the weighted average cost of capital adopted by the Group to confirm that management applied the appropriate discount rates for assessing goodwill impairment.

#### Other Matter

We have also audited the parent company only financial statements of Dyaco International Inc. as of and for the years ended December 31, 2021 and 2020 on which we have issued an unmodified opinion.

## Responsibilities of Management and Those Charged with Governance for the Consolidated Financial Statements

Management is responsible for the preparation and fair presentation of the consolidated financial statements in accordance with the Regulations Governing the Preparation of Financial Reports by Securities Issuers and IFRS, IAS, IFRIC, and SIC endorsed and issued into effect by the Financial Supervisory Commission of the Republic of China, and for such internal control as management determines is necessary to enable the preparation of consolidated financial statements that are free from material misstatement, whether due to fraud or error.

In preparing the consolidated financial statements, management is responsible for assessing the Group's ability to continue as a going concern, disclosing, as applicable, matters related to going concern and using the going concern basis of accounting unless management either intends to liquidate the Group or to cease operations, or has no realistic alternative but to do so.

Those charged with governance, including the audit committee, are responsible for overseeing the Group's financial reporting process.

### Auditors' Responsibilities for the Audit of the Consolidated Financial Statements

Our objectives are to obtain reasonable assurance about whether the consolidated financial statements as a whole are free from material misstatement, whether due to fraud or error, and to issue an auditors' report that includes our opinion. Reasonable assurance is a high level of assurance, but is not a guarantee that an audit conducted in accordance with the auditing standards generally accepted in the Republic of China will always detect a material misstatement when it exists. Misstatements can arise from fraud or error and are considered material if, individually or in the aggregate, they could reasonably be expected to influence the economic decisions of users taken on the basis of these consolidated financial statements.

As part of an audit in accordance with the auditing standards generally accepted in the Republic of China, we exercise professional judgment and maintain professional skepticism throughout the audit. We also:

- 1. Identify and assess the risks of material misstatement of the consolidated financial statements, whether due to fraud or error, design and perform audit procedures responsive to those risks, and obtain audit evidence that is sufficient and appropriate to provide a basis for our opinion. The risk of not detecting a material misstatement resulting from fraud is higher than for one resulting from error, as fraud may involve collusion, forgery, intentional omissions, misrepresentations, or the override of internal control.
- 2. Obtain an understanding of internal control relevant to the audit in order to design audit procedures that are appropriate in the circumstances, but not for the purpose of expressing an opinion on the effectiveness of the Group's internal control.
- 3. Evaluate the appropriateness of accounting policies used and the reasonableness of accounting estimates and related disclosures made by management.
- 4. Conclude on the appropriateness of management's use of the going concern basis of accounting and, based on the audit evidence obtained, whether a material uncertainty exists related to events or conditions that may cast significant doubt on the Group's ability to continue as a going concern. If we conclude that a material uncertainty exists, we are required to draw attention in our auditors' report to the related disclosures in the consolidated financial statements or, if such disclosures are inadequate, to modify our opinion. Our conclusions are based on the audit evidence obtained up to the date of our auditors' report. However, future events or conditions may cause the Group to cease to continue as a going concern.

- 5. Evaluate the overall presentation, structure and content of the consolidated financial statements, including the disclosures, and whether the consolidated financial statements represent the underlying transactions and events in a manner that achieves fair presentation.
- 6. Obtain sufficient and appropriate audit evidence regarding the financial information of entities or business activities within the Group to express an opinion on the consolidated financial statements. We are responsible for the direction, supervision, and performance of the group audit. We remain solely responsible for our audit opinion.

We communicate with those charged with governance regarding, among other matters, the planned scope and timing of the audit and significant audit findings, including any significant deficiencies in internal control that we identify during our audit.

We also provide those charged with governance with a statement that we have complied with relevant ethical requirements regarding independence, and to communicate with them all relationships and other matters that may reasonably be thought to bear on our independence, and where applicable, related safeguards.

From the matters communicated with those charged with governance, we determine those matters that were of most significance in the audit of the consolidated financial statements for the year ended December 31, 2021 and are therefore the key audit matters. We describe these matters in our auditors' report unless law or regulation precludes public disclosure about the matter or when, in extremely rare circumstances, we determine that a matter should not be communicated in our report because the adverse consequences of doing so would reasonably be expected to outweigh the public interest benefits of such communication.

The engagement partners on the audits resulting in this independent auditors' report are Chien-Hsin Hsieh and Chao-Mei Chen.

Deloitte & Touche Taipei, Taiwan Republic of China

March 31, 2022

## Notice to Readers

The accompanying consolidated financial statements are intended only to present the consolidated financial position, financial performance and cash flows in accordance with accounting principles and practices generally accepted in the Republic of China and not those of any other jurisdictions. The standards, procedures and practices to audit such consolidated financial statements are those generally applied in the Republic of China.

For the convenience of readers, the independent auditors' report and the accompanying consolidated financial statements have been translated into English from the original Chinese version prepared and used in the Republic of China. If there is any conflict between the English version and the original Chinese version or any difference in the interpretation of the two versions, the Chinese-language independent auditors' report and consolidated financial statements shall prevail.

#### INDEPENDENT AUDITORS' REPORT

The Board of Directors and Shareholders Dyaco International Inc.

#### **Opinion**

We have audited the accompanying financial statements of Dyaco International Inc. (the "Corporation"), which comprise the balance sheets as of December 31, 2021 and 2020, and the statements of comprehensive income, changes in equity and cash flows for the years then ended, and the notes to the financial statements, including a summary of significant accounting policies (collectively referred to as the "financial statements").

In our opinion, the accompanying financial statements present fairly, in all material respects, the financial position of the Corporation as of December 31, 2021 and 2020, and its financial performance and its cash flows for the years then ended in accordance with the Regulations Governing the Preparation of Financial Reports by Securities Issuers.

#### **Basis for Opinion**

We conducted our audits in accordance with the Regulations Governing Auditing and Attestation of Financial Statements by Certified Public Accountants and auditing standards generally accepted in the Republic of China. Our responsibilities under those standards are further described in the Auditors' Responsibilities for the Audit of the Financial Statements section of our report. We are independent of the Corporation in accordance with The Norm of Professional Ethics for Certified Public Accountant of the Republic of China, and we have fulfilled our other ethical responsibilities in accordance with these requirements. We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our opinion.

## **Key Audit Matters**

Key audit matters are those matters that, in our professional judgment, were of most significance in our audit of the financial statements for the year ended December 31, 2021. These matters were addressed in the context of our audit of the financial statements as a whole, and in forming our opinion thereon, and we do not provide a separate opinion on these matters.

The descriptions for the key audit matters of the financial statements are as follows:

#### Loss on Inventory Obsolescence

As of December 31, 2021, the carrying amounts of inventories held by the Corporation and its subsidiaries which are accounted for by using the equity method were \$478,619 thousand and \$3,052,587 thousand, respectively. The amount of inventories is significant and the valuation of inventories involves significant accounting judgments and estimates made by management, especially when estimating losses from obsolete finished goods and merchandise. Therefore, the estimation of obsolescence loss from finished goods and merchandise was considered to be a key audit matter. For the accounting policies, significant accounting judgments and estimates related to inventory, refer to Notes 4-5 and 5-1. For more information about the Corporation's inventory, refer to Note 11 to the financial statements.

We evaluated the appropriateness of method applied in the calculation of obsolescence loss for finished goods and merchandise at year end. Then, we verified the data used in assumptions against the relevant supporting documents and recalculated the loss provision to ensure its accuracy. In addition, we reviewed the aging report of finished goods and merchandise and compared the allocated historical obsolescence loss with actual disposal of finished goods and merchandise from previous years in order to evaluate the adequacy of inventory losses due to obsolescence.

Evaluation of Impairment Loss on Goodwill from the Subsidiaries which are Accounted for by Using the Equity Method

The book value of the subsidiaries which are accounted for using the equity method included the goodwill on acquisition of Dongguan Dayu Sports Equipment Co., Ltd., Shelton Corporation (Jiaxing), Ltd., CARDIO fitness GmbH & Co. KG, Dyaco Canada Inc., Fitness Equipment Services, LLC., CITY SPORTS (THAILAND) CO., LTD. and Neutron Ventures Ltd. As of December 31, 2021, the carrying amount of goodwill was \$528,950 thousand. According to IAS 36 "Impairment of Assets", goodwill arising from the acquisition of a business is subject to an annual impairment test by comparing its carrying amount (including attributable goodwill) with its recoverable amount. The impairment test of goodwill impairment involves significant accounting judgments and estimates made by management, especially when estimating the future cash flows and discount rates used to calculate the present value of a cash-generating unit. Thus, the impairment test of goodwill was considered to be a key audit matter. For the accounting policies, significant accounting judgments and estimates related to goodwill, refer to Notes 4-6 and 5-2. The cash-generating unit of goodwill arising from business combination and basic assumptions of estimated recoverable amount have been disclosed in Note 13-2, including the projected future cash flows and discount rates (weighted average cost of capital).

We assessed the professional skills, competencies, and objectivity of independent appraisers hired by management, and also verified the qualifications of appointed appraisers. In addition, we confirmed that nothing would affect the objectivity or restriction of job duties by discussing the job scope and reviewing conditions of appointment with management. We checked whether the method used by the independent appraisers was in accordance with the International Accounting Standards (IAS).

We assessed management's judgments based on the opinion of our financial advisor, especially with regard to material assumptions, (including the prediction of future cash flows and discount rates) used by management to confirm the appropriateness of management's judgments. Our primary audit procedures performed included the following:

- 1. We tested the data used to estimate recoverable amount of goodwill, such as historical operating revenue, revenue growth rate and gross margin for assessing the reasonableness of assumptions.
- 2. We compared the budgeted amounts with actual operating results of the Corporation in 2021 when considering the assessment of reliability prediction for 2022 and future years in order to assess the accuracy of management's historical predictions.
- 3. We checked if there were significant differences between the weighted average cost of capital calculated by using the same valuation method and the weighted average cost of capital adopted by the Corporation to confirm that management applied the appropriate discount rates for assessing goodwill impairment.

#### Responsibilities of Management and Those Charged with Governance for the Financial Statements

Management is responsible for the preparation and fair presentation of the financial statements in accordance with the Regulations Governing the Preparation of Financial Reports by Securities Issuers, and for such internal control as management determines is necessary to enable the preparation of financial statements that are free from material misstatement, whether due to fraud or error.

In preparing the financial statements, management is responsible for assessing the Corporation's ability to continue as a going concern, disclosing, as applicable, matters related to going concern and using the going concern basis of accounting unless management either intends to liquidate the Corporation or to cease operations, or has no realistic alternative but to do so.

Those charged with governance, including the audit committee, are responsible for overseeing the Corporation's financial reporting process.

### Auditors' Responsibilities for the Audit of the Financial Statements

Our objectives are to obtain reasonable assurance about whether the financial statements as a whole are free from material misstatement, whether due to fraud or error, and to issue an auditors' report that includes our opinion. Reasonable assurance is a high level of assurance, but is not a guarantee that an audit conducted in accordance with the auditing standards generally accepted in the Republic of China will always detect a material misstatement when it exists. Misstatements can arise from fraud or error and are considered material if, individually or in the aggregate, they could reasonably be expected to influence the economic decisions of users taken on the basis of these financial statements.

As part of an audit in accordance with the auditing standards generally accepted in the Republic of China, we exercise professional judgment and maintain professional skepticism throughout the audit. We also:

- 1. Identify and assess the risks of material misstatement of the financial statements, whether due to fraud or error, design and perform audit procedures responsive to those risks, and obtain audit evidence that is sufficient and appropriate to provide a basis for our opinion. The risk of not detecting a material misstatement resulting from fraud is higher than for one resulting from error, as fraud may involve collusion, forgery, intentional omissions, misrepresentations, or the override of internal control.
- 2. Obtain an understanding of internal control relevant to the audit in order to design audit procedures that are appropriate in the circumstances, but not for the purpose of expressing an opinion on the effectiveness of the Corporation's internal control.
- 3. Evaluate the appropriateness of accounting policies used and the reasonableness of accounting estimates and related disclosures made by management.
- 4. Conclude on the appropriateness of management's use of the going concern basis of accounting and, based on the audit evidence obtained, whether a material uncertainty exists related to events or conditions that may cast significant doubt on the Corporation's ability to continue as a going concern. If we conclude that a material uncertainty exists, we are required to draw attention in our auditors' report to the related disclosures in the financial statements or, if such disclosures are inadequate, to modify our opinion. Our conclusions are based on the audit evidence obtained up to the date of our auditors' report. However, future events or conditions may cause the Corporation to cease to continue as a going concern.
- 5. Evaluate the overall presentation, structure and content of the financial statements, including the disclosures, and whether the financial statements represent the underlying transactions and events in a manner that achieves fair presentation.
- 6. Obtain sufficient and appropriate audit evidence regarding the financial information of entities or business activities within the Corporation to express an opinion on the financial statements. We are responsible for the direction, supervision and performance of the audit. We remain solely responsible for our audit opinion.

We communicate with those charged with governance regarding, among other matters, the planned scope and timing of the audit and significant audit findings, including any significant deficiencies in internal control that we identify during our audit.

We also provide those charged with governance with a statement that we have complied with relevant ethical requirements regarding independence, and to communicate with them all relationships and other matters that may reasonably be thought to bear on our independence, and where applicable, related safeguards.

From the matters communicated with those charged with governance, we determine those matters that were of most significance in the audit of the financial statements for the year ended December 31, 2021, and are therefore the key audit matters. We describe these matters in our auditors' report unless law or regulation precludes public disclosure about the matter or when, in extremely rare circumstances, we determine that a matter should not be communicated in our report because the adverse consequences of doing so would reasonably be expected to outweigh the public interest benefits of such communication.

The engagement partners on the audits resulting in this independent auditors' report are Chien-Hsin Hsieh and Chao-Mei Chen.

When issuing an appraisal report or opinion, the personnel referred to in the preceding paragraph shall comply with <u>the self-regulatory code of each of their associations and</u> the following:

- A. Prior to accepting a case, they shall prudently assess their own professional capabilities, practical experience, and independence.
- B. When executing a case, they shall appropriately plan and execute adequate working procedures, in order to produce a conclusion and use the conclusion as the basis for issuing the report or opinion. The related working procedures, data collected, and conclusion shall be fully and accurately specified in the case working papers.
- C. They shall undertake an item-by-item evaluation of the <u>appropriateness</u> and reasonableness of the sources of data used, the parameters, and the information, as the basis for issuance of the appraisal report or the opinion
- D. They shall issue a statement attesting to the professional competence and independence of the personnel who prepared the report or opinion, and that they have evaluated and found that the information used is <a href="mailto:appropriate">appropriate</a> and reasonable, and that they have complied with applicable laws and regulations.

Article 7 Assessment and operating procedures for acquiring or disposing of real property, equipment, or right-of-use assets (Omitted)

When issuing an appraisal report or opinion, the personnel referred to in the preceding paragraph shall comply with the following:

- A. Prior to accepting a case, they shall prudently assess their own professional capabilities, practical experience, and independence.
- B. When examining a case, they shall appropriately plan and execute adequate working procedures, in order to produce a conclusion and use the conclusion as the basis for issuing the report or opinion. The related working procedures, data collected, and conclusion shall be fully and accurately specified in the case working papers.
- C. They shall undertake an item-by-item evaluation of the <u>comprehensiveness</u>, <u>accuracy</u>, and reasonableness of the sources of data used, the parameters, and the information, as the basis for issuance of the appraisal report or the opinion.
- D. They shall issue a statement attesting to the professional competence and independence of the personnel who prepared the report or opinion, and that they have evaluated and found that the information used is reasonable and accurate, and that they have complied with applicable laws and regulations.

Article 7 Assessment and operating procedures for acquiring or disposing of real property, equipment, or right-of-use assets (Omitted)

Adjusted for laws.

B. Obtaining an appraisal report from an expert

In acquiring or disposing of real property, equipment, or right-of-use assets thereof where the transaction amount reaches 20 percent of the Company's paid-in capital or NT\$300 million or more, the Company, unless transacting with a domestic government agency, engaging others to build on its own land, engaging others to build on rented land, or acquiring or disposing of equipment or right-of-use assets thereof held for business use, shall obtain an appraisal report prior to the date of occurrence of the event from a professional appraiser and shall further comply with the following provisions:

- I. Where due to special circumstances it is necessary to give a limited price or specified price as a reference basis for the transaction price, the transaction shall be submitted for approval in advance by the board of directors; the same procedure shall also be followed whenever there is any subsequent change to the terms and conditions of the transaction.
- II. Where the transaction amount is NT\$1 billion or more, appraisals from two or more professional appraisers shall be obtained.
- III. Where any one of the following circumstances applies with respect to the professional

B. Obtaining an appraisal report from an expert

In acquiring or disposing of real property, equipment, or right-of-use assets thereof where the transaction amount reaches 20 percent of the Company's paid-in capital or NT\$300 million or more, the Company, unless transacting with a domestic government agency, engaging others to build on its own land, engaging others to build on rented land, or acquiring or disposing of equipment or right-of-use assets thereof held for business use, shall obtain an appraisal report prior to the date of occurrence of the event from a professional appraiser and shall further comply with the following provisions:

- I. Where due to special circumstances it is necessary to give a limited price or specified price as a reference basis for the transaction price, the transaction shall be submitted for approval in advance by the board of directors; the same procedure shall also be followed whenever there is any subsequent change to the terms and conditions of the transaction.
- II. Where the transaction amount is NT\$1 billion or more, appraisals from two or more professional appraisers shall be obtained.
- III. Where any one of the following circumstances applies with respect to the professional appraiser's appraisal results,

appraiser's appraisal results, unless all the appraisal results for the assets to be acquired are higher than the transaction amount, or all the appraisal results for the assets to be disposed of are lower than the transaction amount, a certified public accountant shall be engaged to perform the appraisal and render a specific opinion regarding the reason for the discrepancy and the appropriateness of the transaction price:

- i. The discrepancy between the appraisal result and the transaction amount is 20 percent or more of the transaction amount.
- ii. The discrepancy between the appraisal results of two or more professional appraisers is 10 percent or more of the transaction amount.
- IV. No more than 3 months may elapse between the date of the appraisal report issued by a professional appraiser and the contract execution date; provided, where the publicly announced current value for the same period is used and not more than 6 months have elapsed, an opinion may still be issued by the original professional appraiser.

Where the Company acquires or disposes of assets through court

unless all the appraisal results for the assets to be acquired are higher than the transaction amount, or all the appraisal results for the assets to be disposed of are lower than the transaction amount, a certified public accountant shall be engaged to perform the appraisal in accordance with the provisions of Statement of Auditing Standards No. 20 published by the ROC Accounting Research and Development Foundation (ARDF) and render a specific opinion regarding the reason for the discrepancy and the appropriateness of the transaction price:

- i. The discrepancy between the appraisal result and the transaction amount is 20 percent or more of the transaction amount.
- ii. The discrepancy between the appraisal results of two or more professional appraisers is 10 percent or more of the transaction amount.
- IV.
